Have you heard of **geocaching** - the worldwide treasure hunting game? GPS Adventures Canada introduces and simulates geocaching in a museum or science center. Learn about navigation & technology, find hidden caches, solve clues and discover your Canadian Treasure city! Then, try geocaching for real outside!

GPS Adventures Canada has already far exceeded our expectations. Adults are fascinated, kids have a blast, and everyone has a great time. Minotaur makes learning fun!
- Kevin Edwards, Mayor of Three Hills, AB

Everyone is loving it!
- Mia Boiridy, Science North
