Amazing Pollinators

Amazing Pollinators is a visually-stunning, game-based, role-play adventure immersing audiences in the colorful and diverse world of pollinator/plant relationships.

Developed in collaboration with the Florida Museum of Natural History and the Xerces Society for Invertebrate Conservation, the exhibit weaves fascinating stories with urgent messages about pollinators, the critical work they do, and their importance to people and planet.

Can YOU Survive as a Bee? or a Bat? or a Fly?

Amazing Pollinators is a visually-stunning, game-based, role-play adventure immersing audiences in the colorful and diverse world of pollinator/plant relationships. Developed in collaboration with the Florida Museum of Natural History and the Xerces Society for Invertebrate Conservation, the exhibit weaves fascinating stories with urgent messages about pollinators, the critical work they do, and their importance to people and planet.

*"Truly a unique experience!
"You are immersed in a giant board game,
navigating as a pollinator on its important mission.
Such fun! You can't help but to fall in love with Pollinators!"*
